compendio di storia e semiotica dell'arte modellizzazione di profili interpretativi il contenuto del libro si estende in modo poco conforme al regolare sviluppo argomentativo tipico della scrittura questo perché col fine di sottolineare e evidenziare informazioni ritenute importanti in molti casi il periodo resta spezzato portando a capo le parole della frase apparentemente interrotta sono presenti elencazioni numerate talvolta brutalmente riassuntive di informazioni pregresse esse possono risultare utili alla semplificazione e alla veloce comprensione del discorso esse trattano degli aspetti comunicativi delle opere verificando la produzione di segni la loro sintassi i significati principali e quelli che emergono da una valutazione più approfondita del contesto i tioletti sono riassuntivi in poche parole dei concetti semplici informazioni o porzioni di contenuto a seguire anche i tioletti dei singoli concetti talvolta restano incompiuti e continuano nel tioletto successivo

il volume ripercorre la storia e le trasformazioni del poema epico della novella in versi e della ballata romantica nella letteratura italiana tra la fine del settecento e la seconda metà dell'ottocento lo scopo è duplice da un lato approfondire forme e generi testuali che ebbero una funzione e

o una diffusione rilevante nel corso di tutto il XIX secolo dall'altro attraverso l'analisi di questi generi del loro contesto e delle loro reciproche intersezioni proporre una riflessione sull'istanza narrativa in poesia in un periodo in cui iniziò ad affermarsi anche il paradigma della lirica moderna

metaphor has been studied as a linguistic conceptual and communicative phenomenon in a wide range of disciplines including linguistics literary studies philosophy education political science media studies communication science psychology and neurosciences while the cognitive theory of metaphor has dominated the field since the cognitive turn in the 1980s alternatives have been proposed including the neural theory of metaphor the relevance theory approach the complex systems approach and the dynamic systems approach though studies are still often text based there is a growing body of research on visual metaphor multimodal metaphor and gestural metaphor as well as experimental research ranging from studies on metaphor processing and comprehension to studies in NLP and machine learning metaphor studies is thus a highly interdisciplinary field that encompasses a myriad of theories approaches and methods in current metaphor research each of these strands is facing new challenges and offering new venues of cutting edge research using state of the art technologies researchers tend to focus on their own research areas and provide in depth views within the scope of their own disciplines metaphor studies do not seem to escape this phenomenon in spite of the large number of disciplines they draw on ranging from linguistics to psychology to the theory of science hence there seem to be little cooperation and communication across different fields methods and approaches having metaphors and figurative language as their main object of investigation this research topic aims to promote cross fertilization among the many research areas involved in metaphor studies thus bringing together different methods and perspectives and offering a comprehensive overview of the possible research scenarios
